

Math 114 Fall 2017
Calculus I HW 6.5
Do not turn in

In this practice homework, only compute derivatives directly from the definition, as we have done in class—do not use any shortcut rules you may know.

Most of the problems are odd-numbered, so you can check the answers in the back of the book.

1. Stewart 2.1.3
2. Stewart 2.1.17
3. Stewart 2.1.25
4. Stewart 2.1.27
5. Stewart 2.1.29
6. Stewart 2.1.31
7. Stewart 2.1.33
8. Stewart 2.1.35
9. Stewart 2.2.3
